INTRODUCING GENESIS

Lab Support® - Run by Scientists for Scientists
Since 1985

Lab Support®, a division of On Assignment, Inc., the nation's premier science and healthcare staffing services provider, is proud to introduce Genesis, an internship placement program designed to meet the evolving needs of the Lab Science industry while generating career opportunities for future science professionals.

Championing the Dawn of a New Generation

The last 100 years has witnessed an incredible surge of groundbreaking, life-changing technologies. The next century holds even more potential, but only if a new generation of science leaders is ready to meet the challenge.

Your participation in Genesis supports a new generation by giving interns the opportunity to

gain valuable on-the-job skills and experience, helping them to become confident, science leaders. You also help foster a new league of professionals by offering candidates the invaluable opportunity to build life-long mentorship relationships while working shoulder-to-shoulder with industry experts.

Genesis Places Pre-Qualified Interns, Ensuring Compatibility and Satisfaction

Genesis' specialized Staffing Consultants carefully screen and select leading science students, from top-level universities, and assign them to professional internship opportunities across the nation. Candidates are matched according to skill set, career interests and compatibility, ensuring the ideal workplace placement.

SHARING THE DREAM.

At No Risk, and Fringe Benefits To You

As a busy employer, you directly benefit by receiving knowledgeable,

eager lab support (at a special intern rate) while securing desirable, qualified candidates for future staffing needs. On Assignment Lab Support also alleviates the headache associated with recruiting and hiring by handling the burdensome administrative details, including payroll and billing, freeing you up to focus on what you do best.

Best of all, On Assignment Lab Support's no-risk guarantee offers the assurance that if you're not completely satisfied, you're under no contractual or financial obligation.

So share the dream of a bright future with a new generation of science leaders and call us at Genesis today.
